LOGITECH® STEREO SPEAKERS Z120

Better sound simplified

Your tunes and streaming videos deserve better than tinny built-in laptop speakers. You'll hear a big improvement the moment you connect these compact speakers to your PC or Mac. Just plug them in and start listening. It's that easy to take your computer audio to a new level.

FEATURE AT A GLANCE

Compact design, great sound
Enjoy clear stereo audio from speakers that don't take up a lot of room on your table or desk— and are easy to move from room to room.

Easy USB powered audio
No wall outlet required— your speakers get power from the USB port on your laptop or netbook.

Simple iPod connection
A quick-access input makes it easy to plug in your iPod, other MP3 player or any audio source that uses a standard 3.5 mm jack.

Cable management system
Your desk stays tidy with a system that keeps excess cord neatly stowed away in the back of your speakers.

Convenient controls
It's a snap to adjust sound with simple volume and power controls at your fingertips.

WORKS WITH

- Computers, music players and other audio sources with 3.5 mm audio out
- Powered USB port

WHAT'S IN THE BOX?

- Speakers
- User documentation
- 2-years limited hardware warranty
